Higher annual profit per person

Up to S/1'000,000**

Outpatient consultation

Our medical staff has been exclusively trained to provide you with the best service and treatment, therefore, you will receive our multiple outpatient services for only S/ 65 including IGV. Also, if required, you can access the following diagnostic support services:

- Magnetic resonator
- multi-slice spiral CAT scan
- Spiral mammogram
- Digital X-ray
- Linear accelerator
- Outpatient surgery
- Cineangiography
- Lithotripsy
- Endoscopies
- Laboratory
- Nuclear medicine
- Others

250 offices and more than 400 doctors at your disposal

The waiting period is 30 days from the effective date to be able to use the benefit.

In outpatient consultation, the coverage for pre-existing conditions will be 80% or 90%, depending on your age range.

Hospitalization

To make your medical stay as pleasant as possible, we offer a comfortable recovery in our hospitalization area, which has more than 200 beds. Also, focused on guaranteeing the safest procedures, we have 6 operating rooms, 2 recovery rooms, and 2 intensive care units (adult and neonatal).

Our members will pay a fixed deductible of S/600 including IGV and 10% or 20% of the expenses incurred by hospitalization depending on the age range in both hospitalization and outpatient surgery.

The surgery benefit is subject to an 11-month and 21-day waiting period, except for the B3 and B8 annexes of the contract.

Oncological diseases

We have comprehensive coverage for outpatient, hospital and emergency services; as well as special coverage for specific drugs.

Our members will receive outpatient services, hospitalization, and emergency services, obtaining special coverage for specific medicines. It is important to mention that oncology coverage and benefits are subject to a waiting period of 11 months and 21 days.

Special benefits

We offer coverage of 90% or 80% for outpatient care, and emergency, as appropriate (letter of guarantee is required):

- Congenital diseases (subject to an 11-month and 21-day waiting period, maximum annual benefit of S/40,000 soles).
- Pre-existing conditions covered at 50% in surgeries, hospitalization, and surgical procedures
- Treatment for acquired immune deficiency syndrome
- Treatments and surgeries for jaw problems
- Accidents as a consequence of extreme sports
- Prematurity and all related conditions

*Hospitalization services or procedures that require a letter of guarantee will be covered at 50%.

PlanSalud offers coverage for a maximum annual amount of S/ 6,000 in some prosthesis and implants established in the contract and mentioned below:

- Traumatology: Prosthesis, implants, and other supplies
 - Bars or nails for intramedullary fixation
 - External or internal fixation systems
 - Plates and screws
 - Angle plates
 - Special plates
 - Special screws: interference, pedicular
 - Prosthesis and implants
 - Hip prosthesis
 - Elbow prosthesis
 - Finger prosthesis
 - Shoulder prosthesis
 - Wrist prosthesis
 - Knee prosthesis
 - Ankle prosthesis
 - Implant for intervertebral fixation
 - Implant for intralaminar spinal fixation
 - Intervertebral disc substitute
 - Rib clip
 - Bone or tendon grafts
 - Spacers: spine, hip, knee
 - Anchors
 - Titanium meshes
 - Pins for cartilaginous repair

*This benefit is subject to a waiting period of 11 months and 21 days, subject to co-payment of 10%, 20% or 50%.

Cost and monthly fees

The cost to register in PlanSalud is S/ 50 and the monthly fee will depend on the age of the member. If you make the early payment of the total annual cost of the program, you will be exempted from the payment of fee 12. This benefit is extensive at the time of renewal

From 51 to 55	S/ 297
From 56 to 60	S/ 406
From 61 to 65	S/ 538
From 66 to 69	S/ 674
> 70	S/ 794
* Fees include IGV.	

Emergencies

We have a team of professionals, adequate medical instruments and facilities implemented and prepared to act in any situation that puts your life at risk. Therefore, we put at your disposal adult emergency, pediatric emergency and gynecological-obstetric emergency services; as well as the trauma shock and chest pain unit.

The coverage for our members is 100% with no copayment in accidental emergencies, as long as care is exclusively given in the emergency service and within 48 hours after it occurred.

In case of traffic accidents, after the SOAT coverage ends up to 5 UIT, PlanSalud will grant coverage according to age range.

Pharmacy

Thinking of your peace of mind, we offer 2 pharmaceutical establishments where you can buy medicines with 80% or 90% coverage, depending on your age range.

Maternity

Normal, multiple, and cesarean delivery care, including complications in pregnancy for only S/ 650 incl. IGV, plus a 10% copayment. Pay only S/ 65 including IGV for pre and postnatal consultations.

(In order to have access to this benefit, it will be sufficient for the insured to have been affiliated at the time of conception).

Oncological diseases

Our members will receive outpatient services, hospitalization, and emergency services, obtaining special coverage for specific medicines. It is important to mention that oncology coverage and benefits are subject to a waiting period of 11 months and 21 days.

Annual medical checkup benefit

PlanSalud seeks to spread an authentic health culture that promotes disease prevention; therefore, you will be able to access your annual medical checkup after the 90-day waiting period. This benefit is not subject to deductible.
